UTOPIA'S AVENGER

As Gwibiyeonhwa is mercilessly pummeling Gil-dong into nothing, Danu is the only one strong enough to rescue Gil-dong, but his attempt at saving our hero will come at a very high price and the battle with Gwibiyeonhwa is easy compared to what awaits Hong Gil-dong on his journey.

"[O]ne of the best shonen manga that I have ever read... it is, simply put, exquisite."
